Hey Dr Dan

Hope you are well!

I wanted to take this opportunity to introduce you to Instructional Designer extraordinaire. She is a hard worker, committed to the task, self-motivated and I believe would be an asset to any organization.

As I had mentioned to you, our University isn't in good shape and may be closing sooner than later, so I am trying to see if we can find some of our best employees a place to land.

Brenda please send Dr. Dan your resume. Dr. Dan just in case, whatever you hear. Thanks much.

Regards,

Elizabeth "Ely" Rios, Ed.D.
